Washington, DC 20530

Dear Mr. Ashcroft,

I am writing you today to express my opinion in regards to the Microsoft settlement issue. I support Microsoft and believe this settlement will benefit the public and economy.

This settlement is complete. Microsoft has agreed to furnish more information to companies that are trying to compete. For instance, Microsoft has agreed to disclose for use by its competitors various internal interfaces, as well as "interoperability protocols." In this way, Microsoft has agreed to terms that go way beyond the original issues of the lawsuit.

I believe this settlement will benefit the economy and industry. Please support this settlement. Thank you for your time.

Sincerely,

Anthony Verguldi Jr
